The municipal court shall assess the defendant a default/suspension fee as set by the Mohave County Superior Court (currently \$50) for each default judgment entered in a civil traffic violation case upon failure to appear or failure to pay a civil sanction, unless such default judgment is set aside under Rule 28, Rules of Procedure in Civil Traffic Cases. Fees collected shall be deposited into the general fund of the City.

Fees collected shall be deposited into a fund account designated by the City Treasurer for the purpose of receiving the court enhancement fee. Interest earned on fund monies shall be deposited into the fund. The court enhancement fund shall be used at the sole discretion of the City Magistrate to the limit of available account balance, as appropriated by the City Council. The City Magistrate may use court enhancement funds in conjunction with any other court or courts in any common projects, programs, or uses which may benefit the Municipal Court's operations.

Waiver of Fees:

The court may waive all or part of the above fees when it would be in the best interests of justice, such as causing an undue hardship on the defendant, the defendant has previously been found to be indigent by the court, or the defendant has presented a reasonable explanation for missed appointments with the court or another agency, except fees charged by a collection agency may not be waived if any collection agreement with the court so provides.
