# Bullhead Area Transit System

Bullhead City's public transit system provides fixed route bus service and ADA paratransit service throughout the City, Monday through Saturday. This guide includes everything you need to know to get where you need to go on the Bullhead Area Transit System.

## Fixed Route Bus Service

The map at the right shows the routing and bus stop locations for each of Bullhead Area Transit System's four fixed bus routes. Buses pickup and drop off at designated bus stops only. These are shown on the map and the locations are signed.

Timetables for each route are shown on the reverse side of this guide.

All buses are wheelchair accessible and are equipped with bike racks (available on a first come-first served basis.)

## Paratransit Service

**With prior day reservation** – Paratransit is a door-to-door public transportation service reserved for passengers with mobility limiting disabilities who cannot utilize the fixed route service. Passengers must apply for paratransit eligibility and are required to provide medical verification as part of the application process. Applications are available at City Hall, on our website or by calling BATS Dispatch.

Paratransit service is available during all fixed route service hours and eligible passengers may schedule rides through the BATS Dispatch Office by calling (928) 704-2287 for next day service.

### Dispatch office hours are:

Monday – Friday 7:00 AM to 6:00 PM

Saturday 7:00 AM to 4:00 PM

Closed on Sundays and City observed Holidays
