--	--	--

Address/Location of Project: _____

Description of work to be done (driveway approach [concrete or asphalt], sidewalk, curb & gutter, sewer tap, trenching, paving, extension of landscaping over 2' in height, subdivision or commercial improvements, or describe miscellaneous work):

Will there be a grade change more than 2 vertical feet to accommodate the driveway and/or sidewalk improvement? Yes No N/A

I understand the requirements for work within the Right-of-Way as written in the *Bullhead City Municipal Code (see reverse side)*. If applicable, I understand that a certificate of liability insurance naming the City of Bullhead City as an additional insured must be on file in the Engineering Department during the construction phase of this project, and, if applicable, for the life of the project. I understand that the contractor/developer must maintain a Bullhead City Business License, Arizona State Contractor=s License, and Certificate of Liability Insurance throughout the duration of this permit and it is the Permittee=s responsibility to comply with State Statutes & Rules in regard to licensing and performance requirements with the Arizona Registrar of Contractors. I understand that utility company clearance may be required from all utility companies prior to issuance of this permit and that any improvements in or to the Right-of-Way may require me to remove or replace my work at my expense.

Signature _____ Firm Name _____ Date _____

Address: _____ 24-Hour Phone # _____

If liability insurance is required for the life of project and/or if this permit is issued for a structure/obstruction in the Right-of-Way, the property owner/representative of homeowner=s association must sign:

All construction activities within the corporate limits of Bullhead City shall be performed in accordance with all provisions of the *Bullhead City Municipal Code*. Specifically, the applicant should be familiar with “Title 12: Streets, Sidewalks, and Public Places, Title 16: Subdivisions, and Title 17: Zoning.” Copies of these “Titles” are available upon request from the Engineering Department. The complete *Bullhead City Municipal Code* is on record for review at the office of the City Clerk or at www.bullheadcity.com.
